Chubby Little Snowman Chant by Hugh Hanley

A chubby little snowman

Hold your arms in a circle to make a fat belly.

Had a carrot nose.

Point your forefinger out from your nose.

Along came a bunny.

Make a bunny with your fingers. Make it hop.

And what do you suppose?

Turn palms upward and shrug in disbelief.

That hungry little bunny

Rub your tummy, with one hand, bunny ears with other.

Looking for his lunch

Shade your eyes, as if looking into the distance.

Saw that snowman's carrot nose

Make a bunny with one hand and a carrot with the other.

and went nibble, nibble, CRUNCH!

Make the bunny eat the carrot with two small bites and clap hands together for the final big bite.

What a sad thing was that!

(make sad face and clap hands in alternating pancake style)

Down, down, down went the snowman!

(fingers wiggling, bend knees and lower to squatting position)

Whisper: We had five snowmen and one melted, that leaves four!

Repeat until there are no more snowmen, then make a sad face and sing:

No little snowmen, etc.... none wore a funny hat, etc... down, down, down, until the next... (jump up and exclaim:)

Over the Deep Blue Sea... [video](#)

When I was **one**, I had some fun
when I went out to sea,
I jumped aboard a pirate ship
and the Captain said to me:
He said, "Go this way, that way,
forward, backward, over the deep blue sea!"
Yarrgh! A pirate's life for me!

When I was **two**, I lost my shoe...
When I was **three**, I climbed a tree...
When I was **four**, I shut the door...
When I was **five**, I took a dive...
When I was **six**, I picked up sticks...
When I was **seven**, I went to Heaven...
When I was **eight**, I was shut the gate...
When I was **nine**, I walked the line....
When I was **ten**, I started again...

Dip Your Apple

a Rosh Hashanah musical parody based on Shakira's "Waka Waka" by The Ein Prat Fountainheads from Israel... [video](#)

A new year rising, a new beginning,
 Lift your head up, turn yourself 'round,
 the world is spi-i-nning;
 Feel the magic, of a new day,
 Open your heart to a fresh start,
 send your fears away;
 You've made mistakes, you feel it
 You've got, what it takes, believe it!

Pre-chorus:

Any wrong can be made right
 Just forgive, you need not fight
 Shana Tova U'me-tuka, it's Rosh Hashanah!

Chorus:

Shananana tova
Um'e um'e tu-u-ka
...Dip your apple in the honey
...Hear the sounds of jubilation
It's Rosh Hashanah! (repeat)

So many new hopes, waiting to find you,
 Open your eyes, the dreams you prize
 are all around you
 The smiles are hiding, no use in guessing,
 Make up your mind, go out and find
 life's simple ble-es-sings.
 This is your time, you feel it
 How sweet it is, believe it! (pre-chorus + chorus)
